Hi friends and colleagues,

I sadly have to move out of my apartment and will be downsizing my library – looking to pass on some of these titles for very little (\$0-5), with extra bonuses if you take a bunch. Lots of political science books, though with some variety and some fiction as well. I've loosely categorized them for your perusal.

Contact me off-list if you're interested in some or all (please, oh please, take them all and make my life easier).

Happy Sunday!

Vanessa
