Breaking My Fast

I feel like a creature
 one from some time before now
 where things like drawing rooms would have existed
 where I could claim a delicate constitution
 and ward off stares
 when I spend two hours breaking my fast.

Too much depends on pacing.

Why

to rage, oh rage against the dying of the
light we are all light, stardust to the
core there's no one else to illuminate the
situation and we must do something
before forced to reap what we have
sown.
