Dear AIM user,

As a reminder, AIM will be discontinued in 10 days and will no longer work as of December 15, 2017. Before December 15, you can continue to use the service. As of December 15, you will no longer have access to AIM and your data will be deleted. If you use an [@aim.com](#) email address, your email account will not be affected and you will still be able to send and receive email as usual.

We loved working on AIM for you. As we move forward, all of us at AOL (now Oath) are excited to continue building the next generation of iconic brands and life-changing products for users around the world.

You can visit [our FAQ](#) to learn more. Thank you for being an AIM user.

Sincerely,
The AOL Instant Messenger team
